American V-Twin Fitment Statement: Although all attempts have been made to handcraft a product which will fit a wide variety of machines for a particular make/model/year, due to idiosyncrasies between particular years, available options, accessories, etc..., fitment cannot be 100% guaranteed. If upon assembly, fitment issues are discovered which are beyond the installers ability or willingness to correct, then please feel free to contact our customer service department, alert Brock's Performance of the fitment issue for your particular make/model, and obtain an RMA (Return Material Authorization). Brock's Performance will accept unmodified triple trees, in 100% resalable condition for a full refund.

All Brock's Performance products are designed for closed-course racetrack use ONLY!
