## ZX-14R (12-24) DUAL ALIEN HEAD SLIP-ON INSTALLATION INSTRUCTIONS

The Brock's Performance Dual Alien Head Slip-On for the ZX-14R replaces the OEM mufflers, turning your stock exhaust system into a great sounding, customized accessory.

### Check Package Contents:

#### The Package Contents Include:

- One (1) Right-Side Muffler
- One (1) Right-Side Elbow
- One (1) Left-Side Muffler
- One (1) Left-Side Elbow
- One (1) Left-Side Bracket
- One (1) Left-Side Hardware
- One (1) Spring Puller
- Two (2) Exhaust Springs

If your package contents differ, please contact Brock's Performance at 937-912-0054.

For additional installation support please refer to the OEM service manual.

Note: Right-side and left-side refers to if you were sitting on the bike.

### Installation Instructions:

1. Remove the left and right rear fairings.
2. Loosen the muffler body clamp bolts on both sides.
3. Remove the right-side muffler body mounting bolt.
4. Remove the hardware attaching the mufflers to the rear foot pegs on both sides.
5. Pull the muffler bodies backwards to remove (OEM gaskets will not be reused).
6. Install the right-side elbow onto the catalytic converter.
7. Install the right-side muffler onto the elbow and secure with one spring.
8. Use OEM hardware to attach the muffler to the right-side mounting location and torque to 25 ft-lb (34 Nm).
9. Install the left-side elbow onto the catalytic converter.
10. Remove the left-side rear set and install the supplied bracket between the frame and rear set with the mounting hole facing downwards.
11. Install the left-side muffler onto the elbow and secure with one spring.
12. Use supplied hardware to attach the muffler to the left-side mounting bracket and torque to 25 ft-lb (34 Nm).
13. Reinstall the left and right rear fairings.

**Congratulations! Installation is complete.**
